## Painting Instructions

Prep the sled by spraying it with matte finish.

Transfer your pattern onto the surface.

Gnome - Base the hat and body with Santa Red. Shade with Antique Maroon and shade again with Soft Black if desired. Highlight with Watermelon Slice. Add plaid or other decoration as desired. To do the Buffalo Plaid, dilute Lamp Black paint to ink consistency. Add the vertical stripes and let them dry completely. Add the horizontal stripes. Add the buttons with dots of Marigold. Base the beard with Slate Grey and shade with Soft Black. Add the lines on the beard with Snow White. Shade again with Soft Black as desired. Undercoat the nose and hands with French Mauve. Base with Warm Beige. Shade with Dried Clay and highlight with Snow White. The shoes are based with Lamp Black and highlighted with Slate Grey.

Lantern- Base with Lamp Black and highlight with Slate Grey. Dry brush the center of the lantern with Snow White and again with Marigold. Add the candle with Snow White and the flame with Marigold and Canyon Orange. Add the string with Lamp Black.

Lettering – Add saying with Snow White.

Snowflakes – Add the snowflakes in the background with Snow White.

Finish - Spray with Matte Acrylic Finish. Enjoy!

Challenge – Come up with your own hat, clothing and beard for your gnome. Share a photo to our Facebook group so others can enjoy your creation and ideas. It is good to share!
